

M365

T2 Teams

CUIMC IT

A PRESENTATION

What is T2 Teams?

- ▶ T2 Teams is the New Teams application from Microsoft
- ▶ T2 Teams replaces the current version referred to as Classic Teams
- ▶ T2 Teams is expected in our M365 environment beginning April 2024

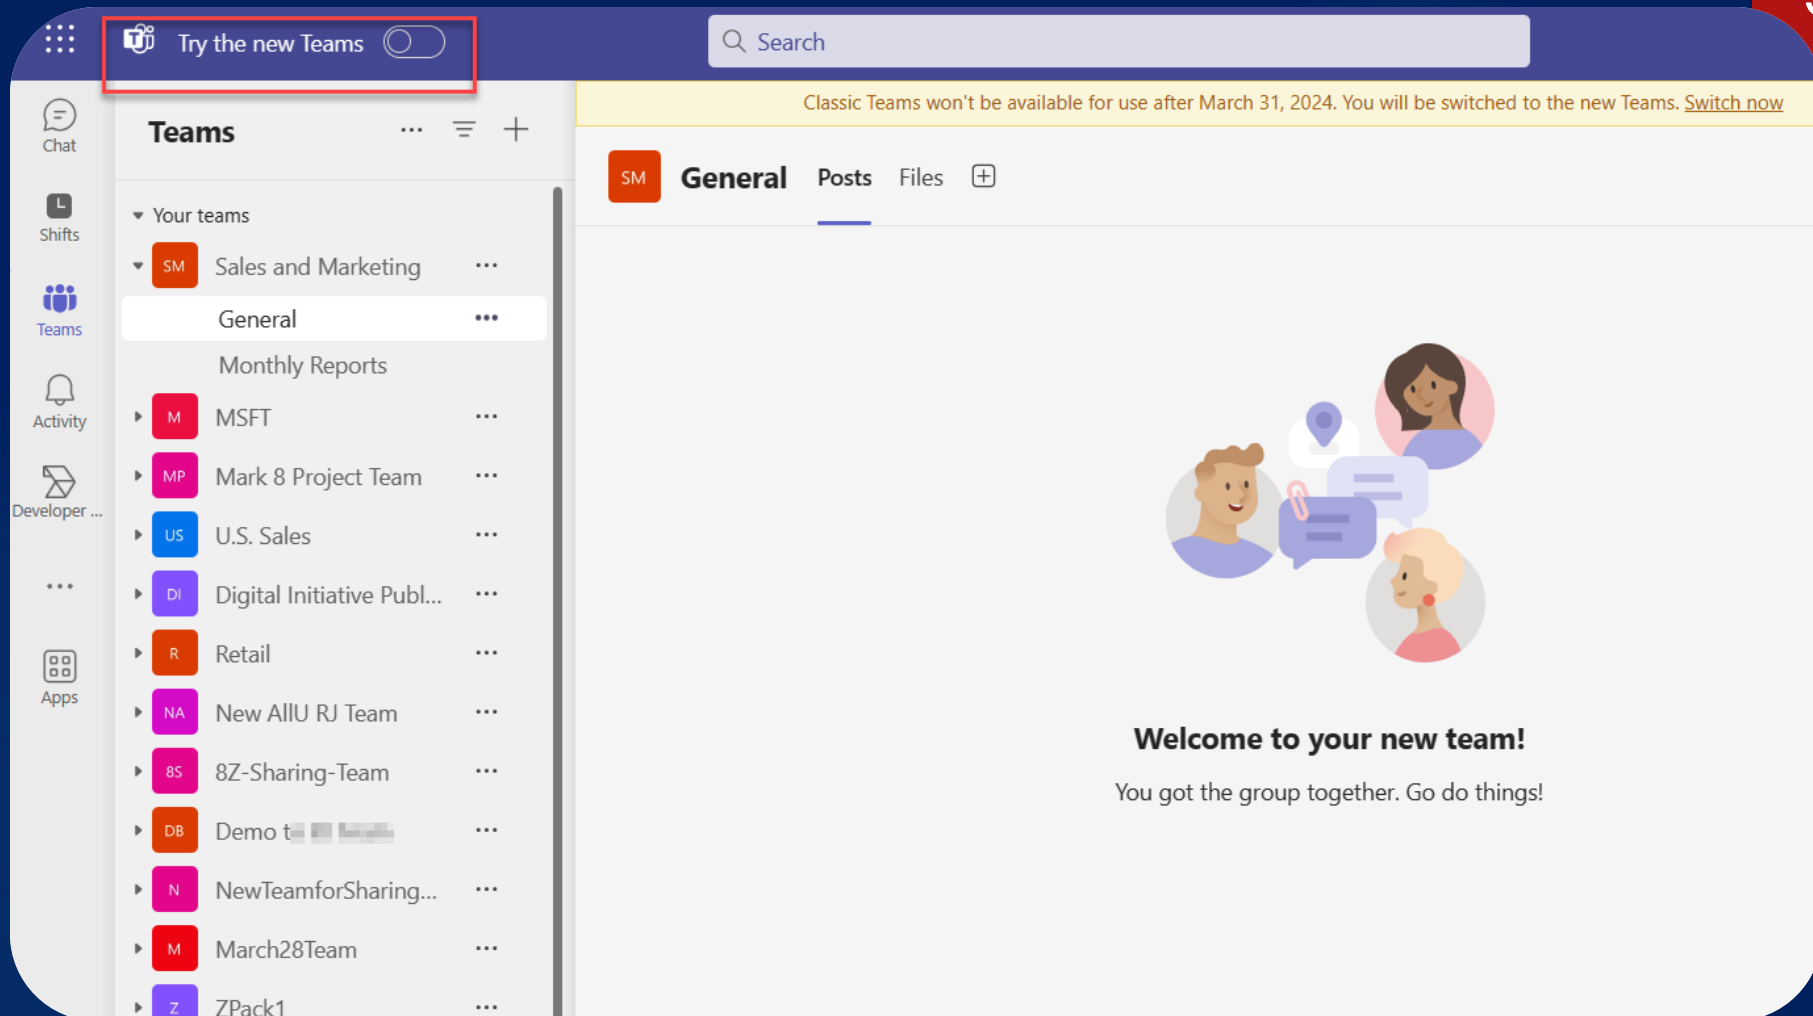

T2 Features

- ▶ T2 Teams is faster
 - ▶ Launching Channels is quick
 - ▶ Scrolling conversations is fluid
 - ▶ Joining meetings is a snap
- ▶ Consumes less system resources
- ▶ User Experience: Tries to be seamless – *and mostly succeeds*

What can you expect?

- ▶ Try New Teams toggle available now for pilot group users. Contact CUIMC IT Service Desk to join the pilot group.
- ▶ Whenever Microsoft makes T2 Teams as default, everyone will be forced to switch. The Try New Teams option goes away. Expected in April, 2024.
- ▶ (Both explained in the following slides).

Try New Teams switching experience before Microsoft roll-out for pilot group users:

Switching
experience
after
Microsoft
rolls out:

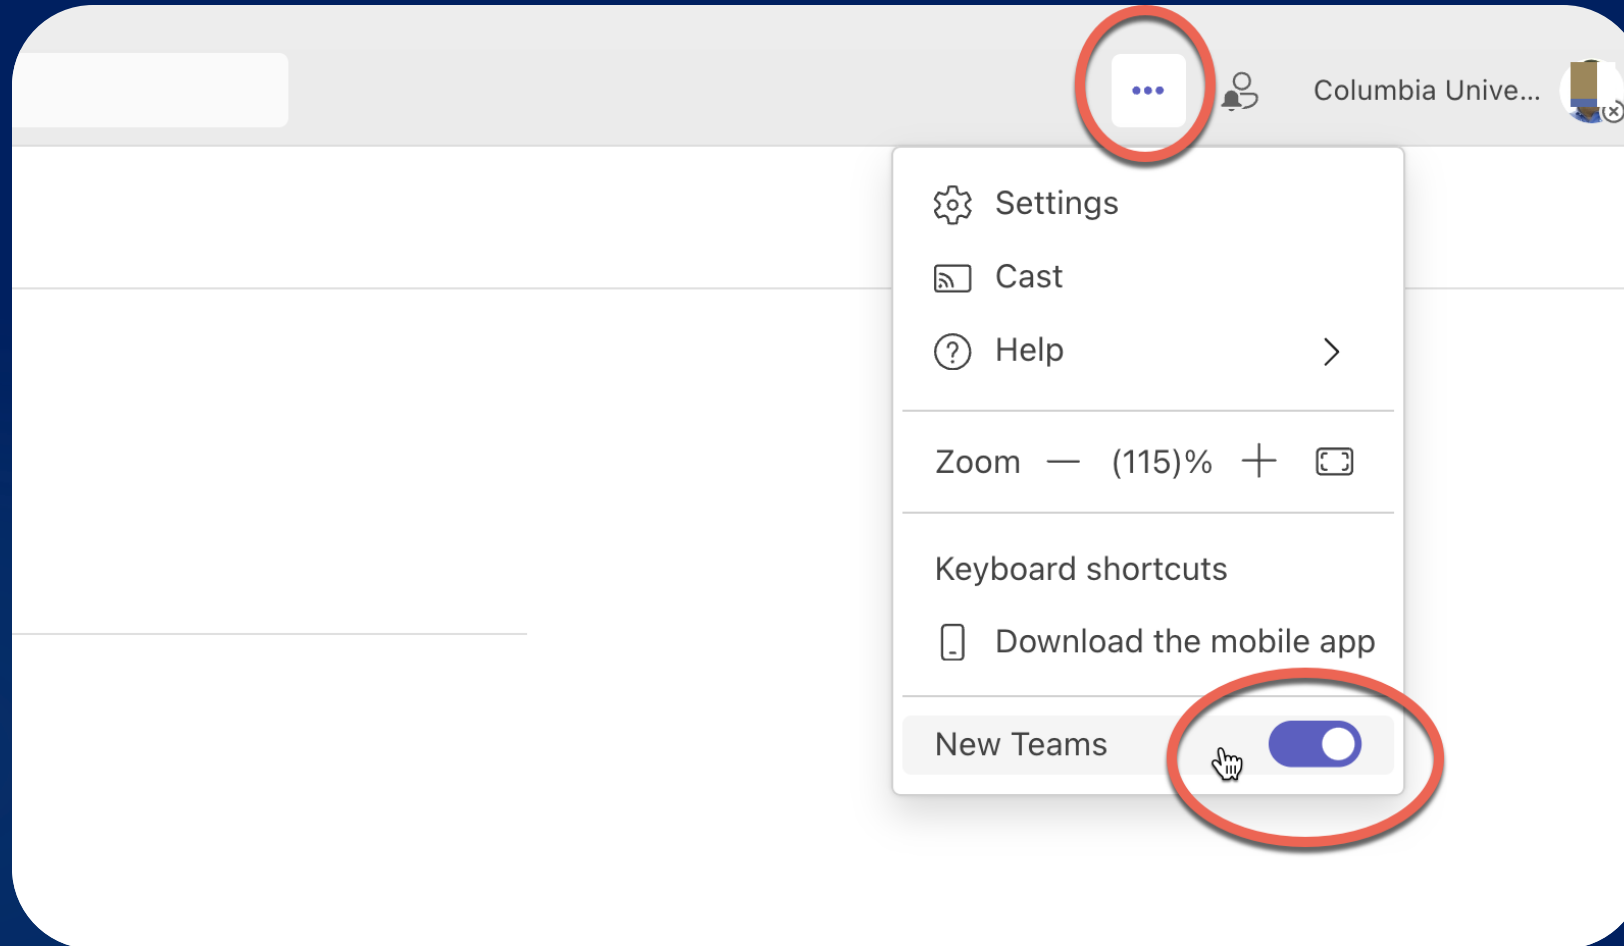

The image shows a Microsoft Teams announcement banner. At the top, there is a background image of a modern office interior with a desk, a chair, and a window. In the center, there is a circular icon containing the Microsoft Teams logo (a blue square with a white 'T' and two blue figures). Below the icon, the text reads: "Your org is switching to the new Teams, and it's ready for you to use." At the bottom of the banner, there is a blue button with the text "Switch now".

Your org is switching to the new Teams, and it's ready for you to use.

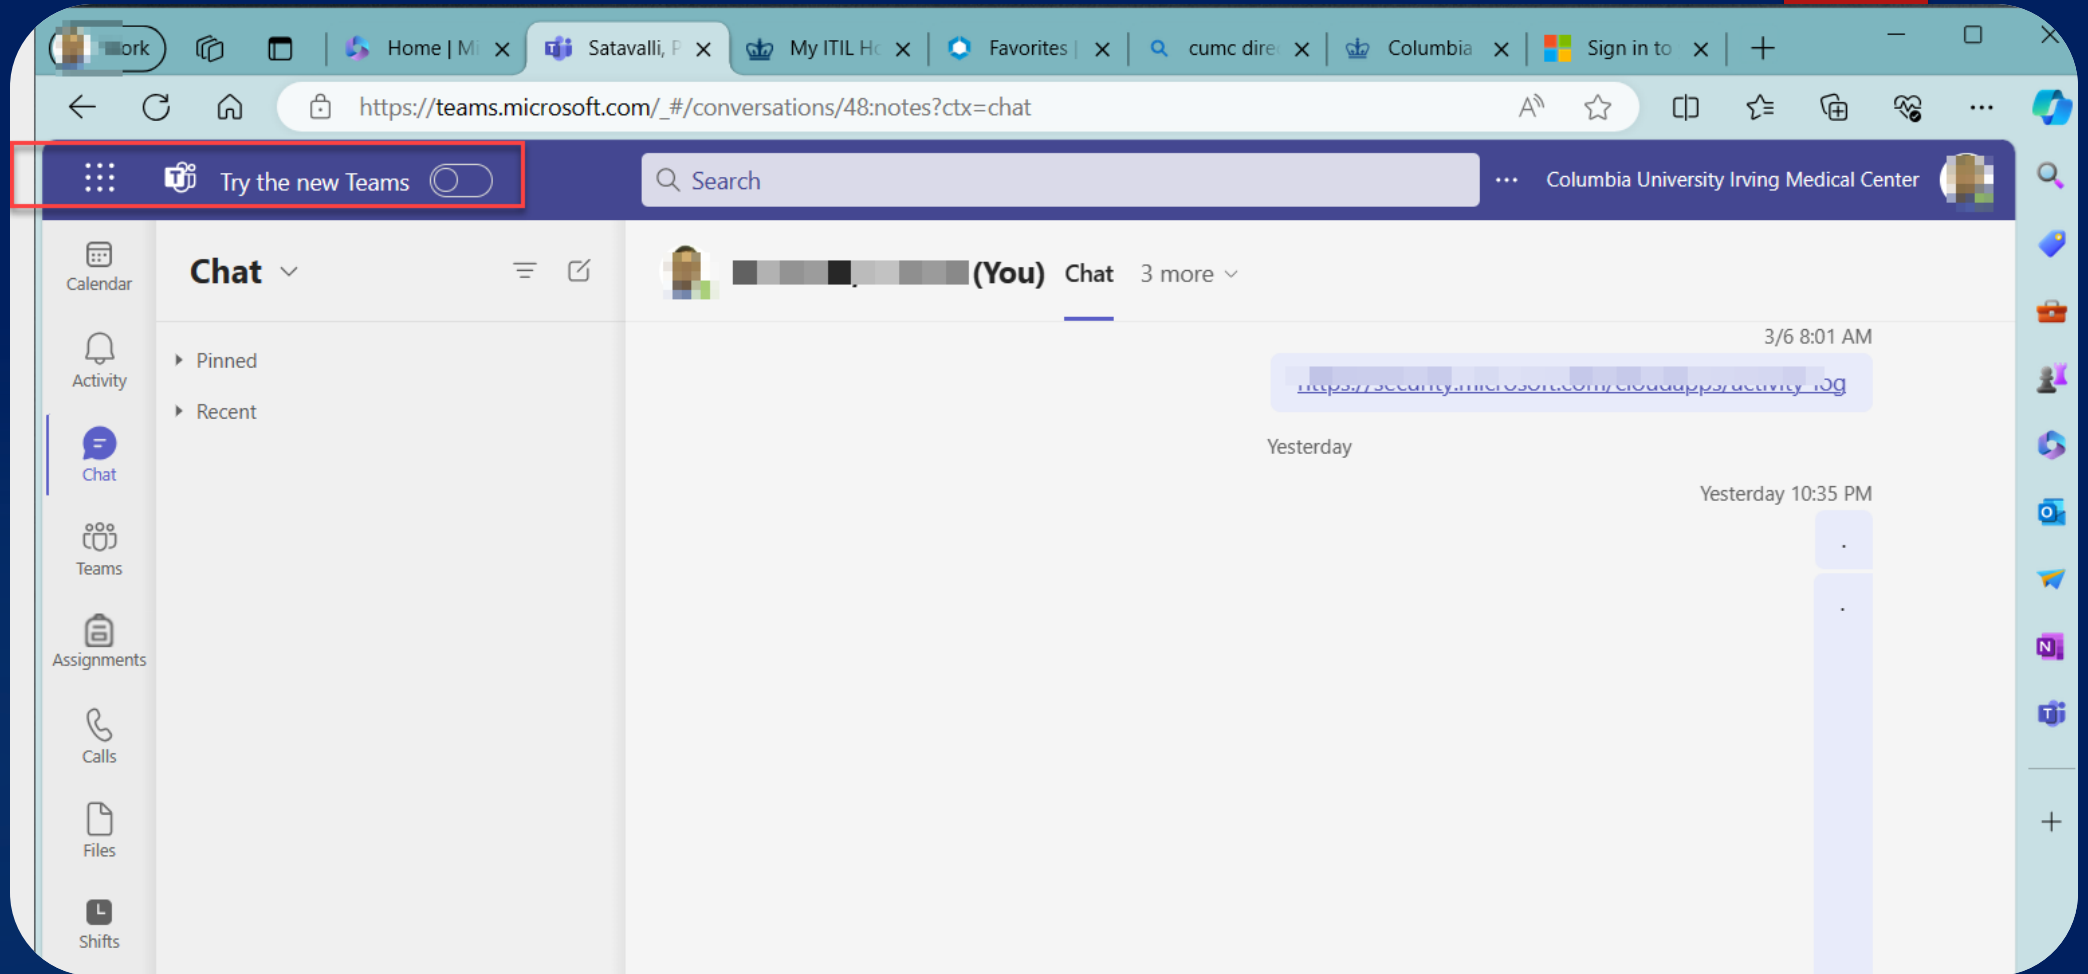

[Switch now](#)

What if I
still want
to use
Classic
Teams?

How is the web client?

Similar to Desktop client in controls for switching

How long can you go back to Classic Teams?

- ▶ Up to mid-May
- ▶ If you cannot switch and if there are issues up to the end of June, 2024
- ▶ After July 1, 2024 classic Teams is sunset. Anyone using classic teams will be asked to use the Web version of T2 Teams

Conference Line Feature

- ▶ CUIMC IT will also be rolling out conference line feature
- ▶ When you create a Teams invite for meetings, an audio conference line with a PIN is added. Users can dial in using a phone

End User Experience when Teams invite is created
